to stop the integration process in Washington, reverse it and re-establish segregation; have the National Association for the Advancement of Colored People placed on the Attorney General's subversive list; publicize commercial contributions to the National Association for the Advancement of Colored People (NAACP) and Urban League and wipe out "Rock and Roll" music. (Washington Post and Times Herald 6/6/56)

[redacted] advised in 1956 that he participated in July 1956, with JOHN KASPER and other members of the White Citizens Councils of D.C. in burning crosses at the homes of prominent public officials in Washington, D.C.

In the fall of 1957, KASPER and the other members of the White Citizens' Councils of D.C. picketed the White House carrying signs against integration (Washington Evening Star, 10/1/57).

The Supreme Court of the United States on 10/14/57 refused to review JOHN KASPER's conviction and one year sentence imposed as a result of an anti-integration speech in Clinton, Tennessee, in that he violated, through his speech, a restraining order issued by the United States District Court at Knoxville, Tennessee (Washington Evening Star, 10/14/57).

The Seaboard White Citizens' Councils, during 1958, have mailed to high school seniors in Arlington, various pieces of literature which have been anti-Negro and anti-Jewish in nature (Northern Virginia Sun, 9/20/58).

Set forth below are the names contained in these four lists, alphabetically, by field office. The number after each name corresponds to one of the lists above.

Offices receiving copies of this letter which have members in their division are requested to furnish WFO background information on those members in compliance with Buairtel to all offices, 10/16/58, entitled "Bombings and Attempted Bombings in Southern Communities, Racial Matters."

"Dec. 29, 1958"

"FLOYD FLEMING said today that he was thinking of gathering about ten people and going to the Capitol to hand out material about the passage of the bill to stop the filibuster and the pending civil rights legislature. Fleming said that he had written JOHN KASPER a letter telling him that he should be here for this, and that he also told KASPER that he should come up and try to re-organize with the help of LINCOLN ROCKWELL. FLEMING said that he had talked to an ex-member of the Maryland Petition Committee, and that this man said that he would try and get some people for the Capitol march. FLEMING mentioned the dates of Jan. 6 and 7 for the event, but then said that he didn't know when it could come off.

"GEORGE LINCOLN ROCKWELL said today that he was having a pretty hard time getting by, and that he had been to New York over the weekend to organize his boys up there. He said that he was trying to get a little coming in regularly, rather than lump sums of money which came few and far between. ROCKWELL also mentioned that he was thinking of getting a motorcade to start from South Carolina and arrive at the Capitol about the same time that the Civil rights legislature starts. He said that he also thought that he could get Chicago, San Francisco, Louisville and several other cities organized, but that 'Atlanta is too hot now to handle.' "

These memos deal with [redacted] who has been identified in the past as a mistress of FREDERICK JOHN KASPER also known as JOHN KASPER. *Index*

WFO has no interest in [redacted] when she is away from WFO territory. However, [redacted] furnished the information that [redacted] may marry some unknown individual in the Washington, D. C. area. In that event, WFO will be interested in her activities along racial lines since she has taken an active part in the activities in the subject organization in the past.

The enclosed memos are being submitted to New York for general information.

The originals of these memos are being filed in 100-33226 - 1A.

5. [redacted] told [redacted] in the course of their many conversations that at one time that the Mad Bomber was active in the New York area, Kasper, then in New York, wanted to get in touch with the Mad Bomber. [redacted] said [redacted] told him that at one point, Kasper even considered putting a personal advertisement in the paper to establish contact with the Mad Bomber. [redacted] INFORMATION CONTAINED

6. [redacted] said that [redacted] has two kids by a previous marriage and that these children are being kept by her parents. Her father is named [redacted] and owns a rug store in Bluefield, West Virginia. [redacted] got the impression the father is fairly well off. He said that [redacted] told him that she will inherit considerable money when her father dies. She apparently from time to time, writes and cashes checks drawn on banks in Bluefield and/or Washington, D.C., [redacted] says that he thinks that the Bluefield account is probably the father's, but he isn't sure. Occasionally the father sends [redacted] money, usually when asked. [redacted] cashes the checks in the White Horse Tavern here in New York and some of them have bounced. She also gets mail at another bar in the Village called the Riviera. We do not seem to find it in the phone book, although there is a Riviera restaurant at 225 Varick St., which might be the location.

7c [redacted] says he got the impression that [redacted] left Washington in something of a hurry because she was scared by something that her associates in Washington had published or wanted to publish on the printing equipment which she had in her possession. He did not know what might have scared her off. [redacted] said he got the impression she does not particularly favor the bombings in the South or Kasper's riot actions there, but that she favors the "principles" which he publicly advocates.

8. Many of the persons with whom [redacted] has been associated here in New York [redacted] believes are persons who have been in jail or mental institutions and he said he thought some of them might be drug users. He said he did not think Nora used drugs. He mentioned her association with the [redacted] girl in Washington and indicated that [redacted] kept the [redacted] girl in her house in Washington at [redacted] one time. b6 b7C

9. From time to time, [redacted] received phone calls at [redacted] s bookstore in the Village and one of the calls was from someone named [redacted], and related to the Kasper trial. The discussion involved money and a car. (The reason [redacted] got phone calls at [redacted] s bookstore, formerly located at 77 Perry St., now located at 118 MacDougal St., was because [redacted] for a time was sleeping in the back of the bookstore. At other times, [redacted] and [redacted] shared an apartment temporarily and at other times, [redacted] stayed at a hotel (or in) back of the bookstore. When she first came back from Provincetown, she had an apartment at Avenue A and 10th St.).

10. c [redacted] said that [redacted] had claimed to him that when she was in Washington that she had been bothered by the ADL and he indicated that [redacted] was pretty scared of the ADL.

11. He seemed to remember the name of [redacted] having been mentioned in conversation and seemed to have the impression that [redacted] was the boy friend of the [redacted] girl. He said he had the impression that the two of them might now be in San Francisco hanging around the beat generation haunts.

again last Friday. If anything, he was more vague than before and you will get some idea of his personality if I tell you that he was completely unaware that he had visited our office after his initial appearance in court and was under the impression that he had come to us before he appeared in court. Be that as it may, here are the few items that may be of interest, which developed out of his visit on Friday.

-2-

1 [redacted] present address is [redacted]. The building is either owned or managed by a Greenwich Village lawyer or real estate man named [redacted] (whose office) is in a store at West 4th St. and 6th Ave. [redacted] said that [redacted] (told him that [redacted]'s rent check had bounced) and that he, [redacted] was thinking of throwing her out of the apartment.

2 [redacted] also told him that on or about November 25, [redacted] registered at the Hotel Colborn on West 4th St. (near Washington Square) under the name of [redacted] and that, at that time, [he] gave the address of [redacted], Norfolk, Virginia. (Presumably [redacted] knows someone at that address.)

3 [redacted] said that [redacted] has been hanging around with 2 guys and that each of these fellows have threatened him at least once. (One of these guys is named [redacted] but [redacted] did not know his last name. The other is named [redacted].) [redacted] doesn't know anything more about him except that he seems to have a lot of friends and connections in Greenwich Village and when [redacted] threatened [redacted] at or outside the Riviera Bar, a number of [redacted]'s friends appeared on the scene to lend [redacted] support. Incidentally, the location of the Riviera Bar is not at Varick St. as I indicated in my previous memo, but it is located at 7th Ave. and W. 4th St.

b6
b7C

Parenthetically, [redacted] has hired an attorney named [redacted] in NYC to represent him in the assault case brought against [redacted] by [redacted]

During Friday's visit, [redacted] sought to engage me in a philosophic and intellectual discussion of anti-Semitism, etc. and became annoyed when I showed impatience with this line of discussion and when I told him that we were not particularly interested in that and what we were concerned with was [redacted]'s connections with active anti-Semites, whether here in New York or elsewhere. In fact, he became so annoyed that he stalked off in high dudgeon.

SHREVEPORT, who is connected with the USA Trade Union, in Rock Hill, South Carolina, is going to Front Royal, Virginia, to talk to people about organizing a branch of the union there. He said that he does not think that FRANKLIN REEDICK is around this week in Front Royal. He also said that some people from Baltimore and Eastern, Maryland, were coming to see him on Saturday. He was to stay at the Kitz Hotel on Saturday night. SHREVEPORT says that any member of the USA who has the official seal of the organization stamped onto his card is also a member of the KKK, and will be recognized as such. He also said that the Kershaw, South Carolina, Sportmen Club is a front for a KKK chapter. He said that he was a Lieutenant General in the underground, and suggested that when prominent Jews die here, that other Jews be called and told that the underground had gotten another one. He suggested that CRITCHFIELD send him three rollers and that he would fix his registration card with the KKK stamp. He also said that the FBI had no business investigating and then composed a letter, which he wants to talk to MINDSELL about printing. ULL and FLEMING also put in parts of this letter, plus CRITCHFIELD. It went something as follows:

That the SACC secret investigating committee had uncovered new facts in the Atlanta bombings, and that the facts would be presented to the court in due time. (SHREVEPORT said at this time that a car license had been obtained at the time of the bombing, and indicated that this might be part of the evidence.) The letter went on to say that the FBI and the ADL were working in close cooperation, and accused the ADL of using Gestapo tactics, along with the FBI. It asked why the FBI kept intimidating innocent people if the five men in Atlanta were the true criminals. SHREVEPORT was to talk to MINDSELL on Saturday evening about having this letter printed.

He also gave CRITCHFIELD a list of names to put on SACC's list of good patriots:

LEWIS said he had a charter in Virginia,
and this will give local protection for picketing and
other activities. Lewis also said that he was not
involved in the five day bus protest held in Atlanta,
and said that it looks as if he is a member of the
National Urban League Party. He said that some people
are trying to find out who did it. He said that DABUL,
of the NUL of either North or South Carolina has a role,
and has placed himself up in the south. He also said
that the Urban League Party had a very small change in
the name of becoming socialist.

LEWIS asked Mr. COOPER to type up a short
script of the meeting, and to say that LEWIS Miller
had been elected president, and that Mr. LEWIS Miller had
been elected executive secretary. It is understood to be
executive director of the outfit. LEWIS said that
the board of directors could be voted on later. He also
said that he would probably hand out a letter in
Atlanta on Tuesday, November 4.

ROCKWELL

Remarks:

b7D

FLOYD FLEMING and [redacted] went to see GEORGE LINCOLN ROCKWELL today at his home. Mrs. [redacted] called [redacted] before FLEMING arrived, and said that [redacted] had called FLEMING from Philadelphia and that FLEMING was to call him back. FLEMING said that he couldn't afford to be calling [redacted] all the time, and that [redacted] had done a lot towards organizing the state.

ROCKWELL's home is much neater since his wife has gone, and he has a German girl named Christine to come in and help him....she arrived yesterday, and looks to be about twenty or twenty-two years old, and rather attractive. ROCKWELL has also acquired a dog that he has named "Jew Eater." The dog seems scared of his shadow.

ROCKWELL stated on money worries, and said that he was going to file a suit for \$112,000 yesterday against [redacted]. He had some rather unkind remarks to make about [redacted] and said that he was going to write him off as a momma's boy. ROCKWELL said that if [redacted] did succeed in getting the house and the press, that he was going to settle with him personally, and cut slices off his fat belly for bacon. ROCKWELL seemed not to be jesting too much about this.

b6
b7C

ROCKWELL said that he was disappointed with RUSSELL MC GUIRE of the "Mercury." ROCKWELL said that MC GUIRE had given him \$250.00 for the Atlanta picketing but wouldn't give one cent to help the men now in jail. ROCKWELL said that he had worked for MC GUIRE in New York and had been hired to form a Nazi group. He said that he had gotten a good outfit going, and MC GUIRE had said, "This is a good outfit [redacted], here's a thousand to run it for the first year." ROCKWELL blew up, and quit, according to him. ROCKWELL says that no one liked MC GUIRE, and that MC GUIRE once offered ROCKWELL, WES HOOKER, and two other men \$10,000 each to kill Justice FRANKFURTHER, Sen. LEHMAN, and two other Jews. He did not indicate when this was. After talking it over, ROCKWELL said that everyone had wanted to knock off MC GUIRE first, and the deal was called off. ROCKWELL says that he is now sending MC GUIRE letters thanking him for all the help he has given, and then messed up the envelope to make it look tampered with. This over kindness, he thinks, may bring MC GUIRE over to his side, just to get rid of him for awhile. ROCKWELL says that one million dollars will put us into power, and give us control over the Jews.

ROCKWELL knows two men that run the "Retired Officer," a magazine, and says that they are Nazis and will run a blind ad for "amazing documents" and that eventually a mailing list of retired military men could be built up.

The group left with FLEMING telling ROCKWELL that he was going to try and raise some money for the ad in the paper, and some money for a booklet on Jews that ROCKWELL is working on. FLEMING wants to send it to the school kids.

"loyd Fickling called [redacted] and stated that he had some material for distribution in Virginia, February 9. He advised there were two items; one, a letter calling for the impeachment of Governor Almond written by a New York attorney known to the [redacted], and another, apparently concocted by Fickling and McConnell. Fickling stated that this attorney had spent 600 hours the day before with the attorney general of Virginia in an effort to win his support for the impeachment move but had been unsuccessful. He also said the letter written by the attorney did not mention the word "Jew" which could be overlooked since it was such a good letter and unusual in his own letter did mention it. He stated that he expected to have a number of people in Virginia distributing this material.

"At the time he called, he was on his way to Virginia presumably to see McConnell whom he stated he had been unable to reach by telephone.

Dear Sir,

On the 27th of March I received the enclosed articles. I had another which I sent to the Manchester Union Leader in N.H. I don't know why I received this, but my name is well known, as I have been an active fighter for the liberation of our Communist held sons, who are still missing from the Korean War my only son, among the several thousand yet alive and held.

The other article showed many young men in front of the White House, wearing Nazi arm bands, and carried posters of hate against all Jewish people - some of the paragraphs were a disgrace to our country and could touch off the suffering of innocent people - because not all Jews are Reds - most are not, and there are good and bad in all races.

I think something should be done about this, true this is a free country, but lets not make it a home of Nazis and Reds - we already have to many.

Thank you:

Yours truly moreno

The literature consisted of:

Leaflet entitled "Niggers! You Too Can Be A Jew" and
